Financial Policy

Our office can no longer accept cash from self-pay patients per State guidelines

We are pleased that you have chosen our practice for your pain management needs. We are committed to providing you with the highest quality care and achieving desired outcomes through collaborative effort. We would like to take this opportunity to thank you for allowing us to take care of you.

In keeping with our philosophy of open communication and education, it is important that you understand the financial policies of the practice. It is equally important that you understand the terms of YOUR medical coverage. Although our staff is very knowledgeable of most insurance plans, it is important that you understand the details and terms of your personal plan. Typically you will find the insurance company's phone number on the back of your insurance card and we encourage you to contact them with questions specific to YOUR coverage.

If you have Medical Insurance Benefits:

- If you have an insurance plan that requires a referral, you must contact your Primary Care Physician PRIOR to receiving care from a specialty provider. Regretfully, many insurers will not cover specialty services that are rendered without a referral and you may be held responsible for the costs. If we do not have a referral on file, we will not be able to render services.
- We participate in most major health plans and our business office will submit claims for services rendered. It is the patient's responsibility to provide all necessary information to file the claims prior to leaving our office. We will file your primary and secondary insurance claims and work diligently with the carrier to resolve any conflicts that may arise. However, your insurance company may need you to supply certain information directly. It is your responsibility to comply with this request.
- Please bring your insurance cards to **EACH** and **EVERY** visit to our office.
- Your insurance company **REQUIRES** us to collect co-payments at the time services are rendered. Failure to collect or waiver of your co-payment may constitute fraud under state and federal law. Please be prepared to pay your co-payment on the date services are rendered as this is a requirement per your insurance carrier. If you do not have your co-payment, we are not required to see you.
- Additionally, you may have coinsurance and/or deductible amounts required by your insurance carrier. Any outstanding balance on your account following insurance processing will be billed to you.
- It is the policy of the practice to treat **ALL** patients in an equitable fashion related to account balances. The practice will **NOT** waive or fail to collect any co-payments, co-insurance, deductibles, or other patient financial responsibility in accordance with state and federal law as well as participating agreements with payers. Full or partial financial responsibility may only be waived in accordance with the practice's Financial Hardship Policy.
- Your insurance carrier may also pay you directly, if your clinic is out of network, as a patient, you are responsible for bringing in the payment and the Explanation of Benefit (EOB) from your insurance company.

Patient Balances:

- Any patient balances that remain delinquent after 90 days, with no response to requests, payment, may be referred to a collection agency. You will be responsible for any and all costs associated with the collection agency up to and including all legal costs.
- Patients with account balances in excess of 120 days with no payment arrangements or hardship request may be discharged from the practice. If this occurs you will have 30 days to seek alternative medical care. During the 30 day period, our physicians will only be able to treat you on an emergency basis.
- For your convenience, our office accepts the following payment methods:
  Money order --- Check --- Cashier'sCheck –-- Cash --- Credit Card
  (Except self—pay patients: Cashier's Check, Check or credit card only can be accepted for payment per state regulations)
- Returned checks will be charged a $40.00 fee.

PLEASE READ THE FINANCIAL POLICY CAREFULLY BEFORE SIGNING

I, the undersigned, understand the financial policies of Hillcrest Pain & Spine and agree to abide by the plan I have signed. Also, I understand and agree to the following.

- To pay the amount charged by Hillcrest Pain & Spine for all professional treatment and services to the undersigned.

- ✓ I understand that I may be released from HPS for missing appointments or canceling/rescheduling appointments with less than 24 hour notice.

I agree that the goals of pain management have been explained to me as to what is considered appropriate and reasonable and that alternative treatment plans, outside of use of controlled pain medications, have been made available to me.
